## Dean's Welcome to the 2017-18 Academic Year

*To all of the faculty, staff, and students in the College of Natural and Health Sciences, welcome to a new academic year! I hope you have all had a productive, engaging, and enjoyable summer. My first couple of months in Tampa have been delightful, and I wanted to give a special note of thanks to those of you who were on campus and stopped by this summer just to say hello and welcome me to UT.*

*I look forward to meeting all of you as we begin the fall semester. There will be plenty of opportunities for us to work together this year, and I want to encourage you to take advantage of my out-of-office hours for any dialogue. I wish each and every one of you a terrific start to the semester!*
